

At Cash For My Laptop we respect your privacy and are committed to protecting it. We use the information we collect about you to process orders. Please read on for more details about our privacy policy.

What Information Do We Collect? How Do We Use It?

When you submit your quote and agree to sell your laptop to us, we need to know your name, e-mail address, mailing address and phone number. This allows us to process and fulfil your orders in the most efficient and prompt manner. Your name and mailing address are used for two purposes only:

- Create shipping labels (1st to send you packaging for your laptop; 2nd return shipping label that you use to send your laptop back to us)
- Issue a company check for the amount quoted and mail it to you as soon as your laptop is delivered to us. Your e-mail address and phone number may be used for communications regarding transaction only, for e.g. to let you know that your quote has been accepted or to notify you of any problems/issues that may occur during the process. We will also use this information to respond to you if you use our Contact Us form. Generally, you may not opt-out of these service related e-mails. We will not send you any promotional letters or any other correspondence that is not associated with transaction.

Non-Individually Identifiable Information Collected Automatically

Cash For My Laptop may collect information from Web site visitors that is not personally-identifiable, including the visitor's operating system, browser, domain name of the Web site from which you linked to our site or advertisement, and the specific web pages on the Cash For My Laptop Web site that are accessed or visited. We only collect this information in the aggregate, and only use it to improve Cash For My Laptop Web site and services offered on the Web Site.

Log Files

As is true of most Web sites, we gather certain information automatically and store it in log files. This information includes internet protocol (IP) addresses, browser type, internet service provider (ISP), referring/exit pages, operating system, date/time stamp, and clickstream data.

We use this information, which does not identify individual users, to analyse trends, to administer the site, to track users' movements around the site and to gather demographic information about our user base as a whole.

We do not link this automatically-collected data to personally identifiable information.

We use a third-party tracking service that uses log files to track non-personally identifiable information about visitors to our site in the aggregate. It collects usage and volume statistics to help improve our Web site.

Cookies

A cookie is a small text file that is stored on a user's computer for record-keeping purposes. We use cookies on this site. We do not link the information we store in cookies to any personally identifiable information you submit while on our site.

We use session ID cookies. We use session cookies to make it easier for you to navigate our site. A session ID cookie expires when you close your browser.

If you reject cookies, you may still use our site, but your ability to use some areas of our site may be limited.

This privacy statement covers the use of cookies by <http://www.cashformylaptop.net/> only and does not cover the use of cookies by any other third party.

How Does ValueMyLaptop Protect Customer Information?

Cash For My Laptop is committed to protecting the information you provide us. To prevent unauthorized access or disclosure, to maintain data accuracy, and to ensure the appropriate use of the information, Cash For My Laptop has in place appropriate physical and managerial procedures to safeguard the information we collect.

When collecting your personally identifiable information on our Get Quote Now information page we use Secure Sockets Layer (SSL) encryption provided by VeriSign, leader in the industry of providing secure operation of Web sites worldwide. SSL encryption is designed to make the information unreadable by anyone but us.

We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once we receive it. No method of transmission over the Internet, or method of electronic storage, is 100% secure, however. Therefore, while we strive to use commercially acceptable means to protect your personal

information, we cannot guarantee its absolute security. If you have any questions about security on our Web site, you can email us at info@cashformylaptop.net

Will Cash For My Laptop Disclose the Information it Collects to Outside Parties?

Cash For My Laptop does not sell, share, trade or rent your personal information to any third party, other than the shipping company that we use for delivery of packages both ways. They may not use this information for their own promotional purposes.

However, we may be required by law to disclose personal information without your consent in the event of emergency situations and we reserve the right to disclose your personally identifiable information as required by law and when we believe that disclosure is necessary to protect our rights and/or to comply with a judicial proceeding, court order, or legal process served on our Web site.
